

#	Author	Title
1	Selene Arfini	Epistemological and Metacognitive Consequences of Cognitive Autoimmunity
2	Francesco Bellucci	Notational aspects of Begriffsschrift and Existential Graph
3	Tommaso Bertolotti	Bridging the gap between niche construction, cognitive niche and cognitive niche construction
4	Federico Boem	Why genes are like lemons
5	Stefano Bonzio, Ivan Chajda and Antonio Ledda.	Representing Quantum structures as near semirings
6	Luke Burke	GI-TAG: a non-classical proof-theoretic semantics for natural language quantification
7	Mihail-Valentin Cernea	Supraorganismal selection in Darwin's "Origin of Species". An avenue for a better understanding
8	Daniele Chiffi	Knowledge and Belief in Placebo Effect
9	Bogdan Dicher	On quantum disjunction and a generality condition in proof-theoretic semantics
10	Anna Maria Dieli	Inquiry on Cancer Cells Individuality
11	Juan M Durán	A survey on the explanatory power of computer simulations
12	Davide Fazio	Deterministic computations and critical pairs in Term Rewriting Systems

13	Francesco Antonio Genco	Hypersequents and Systems of Rules: An Embedding
14	Simon Hewitt	Plural Robustness: its motivation and limit
15	Federica Malfatti	Understanding through models. The role of structure.
16	Thomas Moller-Nielsen	Invariance, Interpretation, and Motivation
17	Carlo Nicolai	Remarks on the role of truth-theoretic and non-semantic patterns of reasoning in nonclassical systems of truth
18	Luisa Peruzzi, Stefano Bonzio, José Gil-Férez, Francesco Paoli	On Paraconsistent Weak Kleene Logic and Involutive Bisemilattices
19	Michele Pra Baldi	A n-sided Sequent Calculus for Paraconsistent Weak Kleene Logic
20	Luca Rivelli	Functional and mechanistic explanations are reverse-engineered modular descriptions constrained by computational complexity
21	Davide Romano	Why Bohmian non-locality is not a problem for us (classical objects)
22	Emanuele Rossanese	Structural Monism: The Case of Algebraic Quantum Field Theory
23	Lorenzo Rossi	Irreflexive Validity
24	Tyler Brooke Wilson	The Dimensions of Color Experience
